

# POURED OUT IN MISSION 2010 REGIONAL ASSEMBLY

## Congregational Mission Fair

Does your church have an exciting story to share? Do you host homeless meals or have a successful food bank collection? Tell us about the community clean up your congregation has done or the blanket drive and school kits you've developed. **Share your congregation's mission events and projects with the region through a visual display!** Post your photos, narratives, etc. on an identified tri-fold display board. Use the remaining table space for brochures or information you might like to share with interested congregations. Inspire others to remember that no act is too small when you're reaching out to help others!

Please let the Assembly Planning Team know that your congregation will be bringing a display by completing and mailing in the quick form below. Alternatively, you can email the details requested to [asaladino@disciplesnw.org](mailto:asaladino@disciplesnw.org). Thank you!
